Exhibitor and Sponsorship Packages

The Massachusetts Export Center's Export Expo is the most comprehensive export event of the year, bringing together export resources, training and information – all under one roof! The Export Expo provides a forum for export service providers to display their information and connect with exporters from throughout the Commonwealth. Exhibitors will include law firms, banks, freight forwarders, consultants, translation firms, customs and compliance automated solutions providers, and various government and non-profit organizations serving the export community. Attendees will be exporting firms from throughout the Commonwealth, including manufacturers and technology firms. Coinciding with the exhibition, the Export Center will convene workshops and panel discussions throughout the day on a wide variety of export-related topics. Last year's Export Expo attracted over 200 attendees. Exhibit space is limited, so early registration is strongly encouraged! The sooner you register, the sooner the Export Center can begin to promote your participation to exporters!
